LGAPA STRATEGIC PLAN 2020 -2028

The Local Government Authorised Persons Association (“LGAPA”) Strategic Plan 2020 - 2028 (“the Plan”) establishes our agenda and provides direction to ensure that Executive Members work towards achieving our purpose in “Developing and Supporting Authorised Officers¹ to achieve professionalism and excellence in service provision”

We will achieve this by a commitment to developing the professionalism of our members and supporting an increased consistency of approaches taken throughout all Councils in South Australia. In doing this we hope to promote the values of the LGAPA including open communication between members, Council's, other bodies and the public.

The Plan will inform and provide guidance to all key decisions made by the elected leaders of the organisation. Specific strategies will be developed to support each of the objectives.

¹ “Authorised Officers” refer to Council staff authorised under the Local Government Act, 1999, relevant support staff (i.e. Administration officers) as well as Council management. Refer to the LGAPA Constitution for a comprehensive description of membership eligibility.
